

Important information about coming into hospital

It is essential that you read and follow this advice if you are coming into hospital for an outpatient appointment, procedure, or scan.

You may be asked to wear a mask in certain areas or circumstances. This is to protect vulnerable people and we are grateful for your support with this

Please contact us if you have:

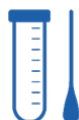

- any new respiratory symptoms
- tested positive for coronavirus (COVID-19) or think you might have the virus.
- Have been in contact with a definite case of COVID-19
- Have any other symptoms of infection for example, diarrhoea and vomiting

We may need to make a change to your appointment plan or rearrange your appointment.

Use hand gel or wash your hands when you arrive..

If you are having a procedure, you may need to take a coronavirus test. Your team will let you know if this affects you.

If you need to make any changes to your appointment, please call the contact number on your appointment letter. You can find out more information about our services including visitor information on our website: www.newcastle-hospitals.nhs.uk
